Section 3: **List a minimum of eight (8) courses at the 300+ level (3rd year and higher of which can come from section 2)** *that clearly demonstrate a direct link to Agrology as defined in the Act*. (**www.bcia.com/about-bcia**)

List 3 additional

300+ courses any subject

_____   _____   _____   _____

_____   _____   _____   _____   _____

_____   _____   _____   _____   _____

_____   _____   _____   _____   _____

☐ I have completed the required years of post secondary education(s) leading to a Bachelor's degree (with a science focus)

☐ I have read and understood BCIA's information on professional development (PD) obligations including the guidelines and required PD hour minimums, plus BCIA's recognized 38 areas of practice at http://www.bcia.com/professional_development.php. Identified area(s) of practice are declared annually by the member and members are expected to operate within those once accepted into the institute.

Additional Comments:

Applicants must include this worksheet with their official application package. Registration as an Articling Agrologist (A.Ag.) may be granted upon a comprehensive and satisfactory course by course review by the Credentials Committee, referencing original transcripts from post secondary education(s). This form is only a working tool to assist the applicant in the application process and even if all fields are completed, it does not guarantee membership into the Institute.

Please upload this PDF form when completing your online application.

If mailing in your application please include a copy of this worksheet.
