## **BCIA is looking for Registrants who are subject matter experts in one or more of the following areas:**

- Cover Cropping
- Rotational Grazing
- Nitrogen management

BCIA is looking to hire trainers / presenters to organize and present virtual and / or in-person training sessions on the above subjects over the next 6 months.

**Details:** This role is a term / contract position (paid per presentation / training session).

**Qualifications:** Ideal candidates must be a subject matter expert in one or more of the topics of Cover Cropping, Rotational Grazing, Nitrogen management

**Compensation:** Reasonably remunerated.

- \* Virtual training – Compensated (\$800 - \$1000 per session)
- \* In-person training - Compensated (\$2000 per session)

**Background:** The British Columbia Institute of Agrologists and The Investment Agriculture Foundation of BC (IAF) are collaborating to bring a multi-faceted training series combining both in-person and virtual sessions to Agrologists within BC. The IAF is recognized as the leading provider of high-quality and cost-effective program delivery services to support the agriculture and agri-food sector in BC.

**To apply: Email your resume, a letter regarding your experience, qualifications, and proposed lesson plan to Jasmine Wong at [PD@bcia.com](mailto:PD@bcia.com)**
